

Dear Commissioner Henney,

I urge you to keep genetically engineered food out of the food supply until:

- Independent safety testing demonstrates genetically engineered crops have no harmful effect on human health or the environment.
- Genetically engineered crops are labeled to ensure the consumer's right to know. *Very important!*
- The corporations that manufacture these crops are held liable for any harm.

Name Marianne Lynnworth e-mail lacoly@aol.com

Address 77 Graymore Rd, Waltham, MA 02451
